

# ICCEPM 2025

**November 17<sup>th</sup> – 20<sup>th</sup>** **Sono Calm, Jeju, South KOREA**

## The 11<sup>th</sup> International Conference on Construction Engineering and Project Management

We are excited to announce that the **11<sup>th</sup> International Conference on Construction Engineering and Project Management (ICCEPM)** will be held in **Jeju, South Korea**.

We invite you to attend and participate in various conference activities, including academic paper presentations, business seminars and workshops, networking sessions, a dinner banquet, and a post-conference excursion. These activities will be highly educational, practical, and enjoyable for students, academics, and practitioners.

Unlike traditional academic conferences, ICCEPM is uniquely designed to blend creative ideas from academia with innovative practices from the industry. Conference participants will experience the powerful synergy between academia and industry, shaping the future direction of the construction industry.
